

What a great turn-out for sporting clays. I hope everyone had a good time and enjoyed the course. Scores were very standout on a challenging course of fire. Thank you all for coming out to support our shoot. We had a good time and raised some money for our junior programs. This event is equally dependent on participants and support help, and each was outstanding.

We will now take the warm months off and prepare for next season. (Squads 8 & 9 were rained out)
