

AUGUST 30, 2025 WORKDAY PLAN

A regular 5th Saturday work day will be held AUGUST 30th. We'll continue to maintain our range and get some small projects accomplished.

Bring your yard care tools (edgers, blowers, string trimmers, etc.) Also remember that proper gear including gloves and good eye protection is just as important when working with power tools and clearing brush. Prepare accordingly.

Pick up brush, limbs etc. across the range and pile up in waste areas. Clear brush from beneath benches all ranges.

Weed eat around concrete, trees, signage, etc. Blow all concrete shooting areas.

Empty trash cans.

Clear roofs and surroundings of all structures of brush and privet, weeds, etc. for fire protection.

Clean up clubhouse and clean toilets. Restock with supplies.

Ranges A1, A2 and B - new target backers and any needed repairs to target frames. Remove brush and dead wood A1 and B.

Range D – Replace 25 and 50 yard backers with new coroplastic.

Range G – usual lawn work and pick up wads.

Pavillion – the pavilion needs a fresh coat of paint. We'll need a couple guys cutting in and a couple of guys rolling. You will need to work on a ladder for much of this. IF YOU HAVE A RELIABLE AND SAFE EXTENTION LADDER OR AN 8' STEP LADDER PLEASE BRING IT. Paint and supplies will be provided.

Bring appropriate work clothes, eye and ear protection, gloves. Water and sports drinks will be provided.

We are in need of tractor work. If you want to volunteer your time and equipment, and have either a 5'/6' harrow or a box blade we can use you! Members donating time and tractor work will have ALL dues waved for 2026/2027. Please call Kevin Fleming at 850-509-9569 prior to work day.
