

ALL,

What a beautiful day to have a steel challenge match. Thank you to all who came, your hard work setting up and tearing down made for a short day. Four stages and off the range by 11am, can't beat that with the stick. Everybody seemed to have a good time and enjoy the weather. Welcome to a new shooter, Ben West. He is not new to shooting, just new to the steel challenge, his times and scores below are proof of that. We look forward to his return and all of you who missed today's match. Maybe we will see you next month. These scores will be posted on the Steel Challenge page of the TRPC website <https://trpc.net/events/event/steel-challenge/> along with the prior months results. For now they are located below. Thanks for coming.

Steve Chaires  
Match Chairman
