TRPC YOUTH PROGRAM

Monthly "2nd Saturday" Shooting Program

Date/Time: Second Saturday of each month from 8:30am until 11:00am.

Location: TRPC Range A-1 and A-2. Cost: No Charge - Open to all boys and girls 17 years old and younger. Shooters need not be associated with a club member.

TRPC supplies all safety equipment, rifles, .22-caliber ammunition and targets.

This is an excellent opportunity for youth to gain experience with shooting firearms and to develop firearm safety. We have the young shooters set up the range, giving them a chance to get to know each other. After a brief Safety and Marksmanship orientation, we shoot from 9:00am until 11:00 am.

We use the NRA 50-foot Rifle Qualification Course, which lets the shooters start at a low qualification level from a supported prone position. The course works through prone, sitting, kneeling and standing positions, requiring progressively greater levels of skill. There are awards, such as patches and/or medals (provided by the club), at each stage.

We have expanded our youth program to include shotgun shooting. The trap range is available to competitors after completion of the rifle program.

Adult volunteers are always needed.
