TRPC Sporting Clays Spring Fun Shoot - Fall 2022

TRPC hosted a Sporting Clays Fun Shoot event on Saturday, November 5. We had good attendance with 27 participants shooting. This event raised over \$500 for our junior programs. Participants were blessed with great weather and milder temperatures. A BBQ lunch was part of the event and Jim Hines did a marvelous job with the ribs and chicken. Andy Randall set a challenging course, but overall the scores were very good. Member Henry Gainer bested the field with high score of 37/50.

Sporting Clays at TRPC re-emerged in 2015. Since then over 250 individual members and guests have come out and participated. The event continues to attract new shooters, including juniors. We had 5 new attendees at this event. A special debt of gratitude is paid to those members who continue to promote the clay sports and TRPC by bringing new guests and introducing them to our fine Club. Sporting Clays also has a devoted core of regulars, some of whom have rarely missed an event in the seven years we've held it! The program is always a great time, and is an all-day event with food and fellowship.

The course consisted of 10 stations, or shooting locations. Five targets were thrown from each in the following order: a single target, a report pair of targets where a single target is thrown and a second follows upon the report of the gun, and finally a true pair, or two targets thrown simultaneously. Targets varied in size, speed and direction. Shooters are given some challenging presentations by using remote target throwers. These can be placed several hundred feet from the shooter and brings additional challenges and fun to the event.

Only 2 squads can be on the course simultaneously, so squadding is imperative for the event to function. Participants can "pre-squad" by notifying the match director, and are given a reporting time. Shooting the course takes about an hour per squad. Our policy is that participants can shoot as many times as they wish, and some shooters enjoy trying the course again.

Lunch was included in the entry fee and consisted of delicious pork ribs, BBQ chicken, Brunswick stew, baked beans, chili, slaw, mac and cheese, chips and drinks. Of course there were also numerous yummy desserts provided by shooters and guests alike. Many thanks to John Schmidt, Jenn Hunter, Angie Gebhart, Ms Allen, and Aaron Cohen for delicious food; and a huge shoutout to Jim Hines for doing the BBQ. Jim's cooking is one the reasons the event is so well attended. Honestly have you ever had better ribs than Jim's?

Our warmest thanks to the TRPC members who contributed to making the event so successful; Rob Aguilera, Robert Stanton, Jim Hines, Don Hines, Donna Hines, Henry Gainer, Jeff Snyder, Andy Randall, the Gebhart Crew, the Allen Crew, the Hunters, Gary Rickard, John Schmidt, Mark Busch, and "Mr Fixit" Hughston Salter!. Apologies to anyone I've missed. We literally could not do this event without our hardworking Sporting Clays Gang.

Our next Sporting Clays event will be Saturday, February 4. Look for more information on the website and across the range.
