MESSAGE FROM THE PRESIDENT

My fellow club members,

No matter your perspective, we find ourselves in interesting times. As a club, we were humming along and enjoying wonderful turnout and participation at events, matches, meetings, and workdays. Then COVID-19 and the pandemic lexicon entered our lives. Our April 4, 2020 Sporting Clays Fun Shoot, the April 8, 2020 General Membership Meeting, and the May 30, 2020 Work Day along with most matches were cancelled in April and May due to the pandemic. Despite these disruptions, the range has remained open and members continue to utilize and enjoy it. As we begin to navigate the re-opening process, I encourage you to continue to utilize the range every opportunity you have. The range will remain open for general use by the membership. While most matches have not returned as I write this, I sincerely hope they will return, perhaps with slight modifications to accommodate social distancing guidelines, by June or July at the latest. The BoD has decided Match Chairmen will continue to make the call on cancellations.

I encourage you all to get out and shoot. During stressful times, many members go to the range to relax and do something they enjoy. You have the opportunity to meet and make new friends every time you go to the range. How you behave and treat those potential new friends directly affects your range experience, their range experience, and both your opinions of the club. I encourage you to be kind to one another and think about how you treat your fellow members at the range.

I sincerely look forward to seeing you all at the next General Membership Meeting scheduled for July 8, 2020. Stay safe and healthy at home and the range. Remember, safety is no accident.

Aaron Cohen, President TRPC

YOUTH PROGRAM

There is very little to report this past quarter. Due to COVID-19, the Youth Program suspended shooting for April and May. We hope to shoot as regularly scheduled in June, but the final decision has not been made and will ultimately depend upon whether or not we can conduct the program while complying with social distancing guidelines.

I'd like to thank member Patrick White for a generous donation of 500 rounds of 22 lr ammo. Without members like Patrick along with the Youth Program volunteers, the TRPC Youth Program would not be the success it is. Thanks to all of you. We can always use volunteers and your service will count as a work credit. If you are interested in volunteering, please contact me by email at youth@trpc.net, (850)766-9349.

SECRETARY'S UPDATE

Your renewal notice has been included with the mailed copy of this newsletter. Please detach, complete, sign, and return along with the indicated renewal fee and proof of current NRA membership if it shows expired. The Board of Directors voted to grant the \$80.00 work credit to all members due to the cancellation of the May 30, 2020, workday. Please consider returning your renewal notice as soon as possible.

If you are not receiving email notifications and newsletters from the club, please update the email section of the renewal form or send an email to secretary@trpc.net. The time has come to consider the elimination of mailed quarterly newsletters. Of the current 400 members, there are 370 active email addresses on the database that are also receiving pdf versions of each newsletter. The newsletters are also posted on the web site. The savings for the club would be in excess of \$1000.00 a year and save a few trees. Shoot Safe!

Gary Rickard, Secretary TRPC
