GARAND RIFLE MATCH

I wish to invite all rifle shooters for the 25th annual M-1 Garand Match to be held on 20 September 2025. The match will be shot on the 200 yard range using the club's newest electronic scoring system.

Even if you don't have a M-1 Garand you can shoot any rifle that can hold either 8 or 5 rounds.

The match will consist of 55 rounds fired over a 3 position course held on the 200 yard range. This includes prone, sitting and standing. If you can't participate in any or all of these positions no worry. We can make changes, Only Garand shooters are eligible to win the match presentation.

On the 3rd Saturday during the months of July and August there will be an informal 300 yard match. All shooting is in the prone position in slow fire. This means loading one shot at a time. Any safe rifle with either scope or metallic sight can be used. You will need at least 66 rounds.

If you do not have a 200 yard or 300 yard zero we will help you. So bring extra ammo just in case.

Any questions contact me at 850-688-7340 or jimfowler223@gmail.com.

Hope to see you there,

Jim Fowler

Secretary's Report

TRPC is in the middle of the membership renewal period. As of June 30, 2025, we have received 275 renewals of the 444 members. While that is a good start, we still a long way to go. The new year started on July 1, 2025. Gate access will be terminated on August 1, 2025, for renewals not received by July 31, 2025. Please take a moment to complete your renewal and get it in the mail along with the renewal fee. You can also drop the renewal in the lock box at the gate if you want to avoid the postal service. If you need another renewal form, email secretary@trpc.net and I will get one to you. If you do not plan on renewing your membership, please let me know and I will remove you from the club database.

We have a workday coming up on August 30, 2025. There will be a General Membership Meeting at the range pavilion on July 12, 2025, @ 12:00 pm.

TRPC is looking for a new match chairman for the Cowboy Action match. Please contact me if you are interested. Thanks

Gary Rickard – secretary@trpc.net
