## MESSAGE FROM THE PRESIDENT

Members,

I hope you all remain safe, and well during these unprecedented times in which we live. The recent workday had terrific attendance, much more than expected, and we accomplished a lot at the range. Thank you to everyone who participated. The Boy Scout Fun Shot is scheduled for this weekend October 3. It will be one day affair which will run from 8am to 5pm and utilize every available range. Quite a lot of time and effort has gone into making this event a reality and both TRPC and the Boy Scouts should be proud of that effort particularly in a societal climate with widespread personal health and safety concerns as well a generally less than enthusiastic opinion of firearms.

I will end with this --- election season is upon us. I believe voting is a personal undertaking and I will not tell you how to vote. One candidate does seem to be more supportive of the Second Amendment than the other. As individuals, you determine what issues are important to you and vote accordingly. What I will ask you to do is vote. Your vote matters and it is important to exercise your civil rights as enumerated in the Constitution. Please take care and stay safe. I look forward to seeing and meeting all of you at the range.

Aaron Cohen

TRPC President

## SECRETARY'S UPDATE

The new gate controller has been installed and the main gate is up and running. It was a long seven weeks without it and makes us all appreciate the ease of entering the range without getting out of the vehicle. The entire system was upgraded. There was a delay in getting all the necessary parts due to supply issues which accounted for the repair time. The gate is just a little slower than the previous, so please allow it to fully open before driving through. Thanks to David Crosby and son for their hard work getting the job completed.

We had a very successful renewal period. Our current membership stands at 409. We have 46 new members so far into 2020. Our web site continues to attract a lot of traffic. It never hurts to pull it up and check the home page before heading to the range. The red banner running across the top of the page will alert for any important updates.

This will be our first electronic only newsletter. The savings to the club in printing and mailing costs will be significant. All newsletters are also posted on the web site under the resources link on the home page.

There will be a general membership meeting held on Wednesday, October 7, 2020, @ 7:00pm at the TRPC range pavilion. It looks like all future meetings will be held at the range as the city has no immediate plans to reopen the Myers Park facility.

The Boy Scout Fun Shoot is Saturday, October 3, 2020, and will begin at 8:00am. A lot of planning has gone into making it a fun and safe event for all. Volunteers are still needed. Contact Aaron Cohen [president@trpc.net](mailto:president@trpc.net) for info.

The next workday will be Saturday, October 31, 2020, @ 8:00am.

Gary Rickard, Secretary TRPC
