NEXT RANGE WORK DAY

October 30, 2021
8:00 – 10:00 AM

FROM THE DESK OF THE SECRETARY

Another summer has come and gone with not a lot of shooting going on. The range is very quiet these days as the ammo shortage and pricing has greatly curtailed our favorite pastime. TRPC has lost several members to the pandemic. Great friends and acquaintances who shared our love of the shooting sports and contributed much to the success of our club. It is a good time to reflect on what is important in life and prepare for the future. Please take some time to ensure that your family knows your wishes for your firearms after you pass on. Don't leave your spouse in the dark on the value of your collection or how it should be disposed. Make it crystal clear whether it should go to family or if it should be liquidated through an estate sale or local firearms broker. Make a list of the reasonable resale value of not only your firearms but all the ammo, reloading supplies, and related equipment that goes with shooting. Your family will greatly appreciate it.

On a brighter note, our current TRPC membership stands at 409. We have 28 new members so far this calendar year. Mike Tentkowski has accepted the board's invitation to take over as treasurer of the club. Mike has extensive knowledge of accounting practices and filed our 990 form with the IRS. I want to thank Rob Aguilera for being drafted into the position after Randy Miller passed away last November. Rob will be taking over for Craig Carson as Board Member at Large (#1) for the remainder of 2021. We will be taking nominations for the upcoming January election of officers at the October general membership meeting. If you are interested in running for a board position, please step forward at the meeting or contact me.

We did not obtain a quorum of 20 members at the July meeting so the meeting was cancelled. That is a first since I became a member of the club. Please mark your calendars for October 13, 2021, 7:00pm at the TRPC Pavilion, as I would hate to cancel another meeting due to attendance.

The Boy Scout Fun Shoot is this Saturday, October 2, 2021, beginning at 8:00am. The club always needs volunteers and it is a good way to earn your work credit for 2022.

The next workday is October 30, 2021, from 8:00 to 10:00am. No lunch will be served.

STEEL CHALLENGE MATCH

It was another great morning of shooting at our monthly steel match! Nicer temperatures and a little breeze made the time fly by. There was plenty of good shooting. We got off to good start as Gary Freerksen made the initial steel plate painting with white paint and a brush. The plates have never looked so good. Almost too nice to shoot, but shoot them we did. Scores and some pictures are attached.

We had two new club members and first time Steel Challenge shooters: Joe and Loretta Torre. I think they have gotten the steel shooting bug.

We also welcomed back Henry Gainer who, besides being a fine pistol shooter, is a very talented shotgun shooter. He had been to the Grand American Tournament in Illinois, where he brought back a trophy for stellar trap shooting. He shot 196 out of 200 and represented TRPC well. Congratulations, Henry!

Next month will probably be perfect weather for the Steel Challenge match. Mark your calendars for Saturday, October 9.

We hope to see you there.

John B.
